SUMMER 2021

PRESIDENT'S MESSAGE

At the last meeting of your Alumni Association Executive Board, we made some decisions regarding the possibility of a reunion in 2021.

First, we decided that no matter what, we will have some sort of reunion event this year.

Second the Executive Board overwhelmingly prefers to provide the full Reunion experience that you all have come to expect. That being the cocktail party on Friday night, march through town, flag raising ceremony and banquet on Saturday. These along with the Saturday Luncheon and Sunday Morning Breakfast that a certain cadet inevitably arranges.

HOWEVER, there are minimum numbers for the venues and caterer so ultimately, the scope of this year's Reunion event will be driven by the number of our classmates who commit to attend. The reality is that we must have a certain number to make it feasible to adequately plan a full event.

The event, whatever it is will be, will take place on the weekend of October 23 (NOT OCTOBER 16 AS PREVIOUSLY ANNOUNCED).

Please let us know if you plan to attend. We are doing something a little different this year. As the commitments come in, we will post the list for everyone to see. You will be able to see who is attending on our website (BMICadets.org) on Facebook and we will email the list to the alumni for whom we have email addresses. These will be updated weekly.

IF we do have the full reunion event, we will try hard to hold to the fee of \$75 per person for everything. Note well; THERE IS NO GUARANTEE that the cost will remain at \$75 but we will do our best.

So let us know if you plan to attend anyway that is most convenient for you: you may respond to the Alumni Association Email: bmicadets@gmail.com , Announce your intent on the Facebook group, or you can even respond to my personal email – docjack01@Comcast.net.

Love you guys and hope to see you in October.

Jack Harkins '67
